Thank you

Berwyn-Paoli Area Little (BPALL) has been a constant source of fun and happiness for our community for over 50 years. With your generous support, thousands of children have enjoyed baseball and softball in a fun and safe environment at the Field of Dreams complex.

The Gala remains the main fund raising source for BPALL. There are many forms of fund raising, but we figure a party is the most fun! Each year, the funds raised from the Gala are put right back into our Dreams complex. For example, in the last year, we have constructed new dugouts at Haas Field, repaired a significant amount of damaged fencing, fixed the entry drive, improved the handicap ramps and upgraded the path through the wetlands. I should note that the improved path through the wetlands was part of an extraordinary Eagle Scout project. Each of these improvements addressed safety concerns in addition to improving the facility.

The Gala also allows us to keep our registration fees significantly lower than other programs in the area even in the absence of any taxpayer support.

Please consider supporting your league by attending the Gala. Spend an evening with old and new friends while we celebrate BPALL and the 20th Anniversary of the Field of Dreams complex.

Kurt Misialek & Mike Nichols

Please contribute items for the Silent Auction!

Please consider contributing an auction item. The gift should have some value, worthy of receiving bids. Some gift suggestions would be sports equipment, clothing, art, gift baskets, collectibles, services, event tickets, camps, you get the idea, anything. The item will be placed on a table and be part of the auction available for all attending.

We would like to list your gift and name in the Gala Program, so try to drop it off at the Field of Dreams concession stand on any weekend prior to the Gala, or by May 11th to the Nichols house at 419 Lantern Lane, Berwyn (610-578-9068) or, the Newbold's house at 521 Annadale Dr., Berwyn (610-240-0665).

If you cannot drop your donation off by May 11th, please call Mike Nichols (610-724-5065), Stephanie Nichols (610-578-9068) or Sherri Gartner (484-995-6341) to make other arrangements.
