2015

Two wooden baseball bats are positioned horizontally, one on the left and one on the right, flanking the year '2015'. The bats are light brown with a wood grain texture. Below the year '2015' is a blue decorative flourish.

Your Support Means Everything

The Gala remains the main fund-raising source for BPALL. Registration fees go primarily to the cost of uniforms, equipment, field maintenance, insurance, umpire fees, etc. – in other words, the ongoing cost of the operations of the league. The funds raised at the Gala are primarily used to improve the complex and make the necessary enhancements. For example, in late 2014 and 2015, we have either made or will complete the following projects:

- Installation of the new covered batting cage by Robl Field, included lights and a turf hitting area.
- Every field received upgrades last Fall, including new sod in the base path and on the edge of the infields, new diamatex to level the infields and improve safety, repairs to the mounds and homeplates, and the cutting of most “lips” which reduces the chance of injury from bad hops;
- Purchase of field maintenance equipment;
- We negotiated new leases for Radbill Field and Teegarden Field. As part of these new leases, BPALL has taken over all maintenance of the fields. We have already started making improvements and more structural improvements will occur throughout 2015!
- Expansion of sprinkler system to Roggio & Greskoff Fields.

Thank You!!

BPALL has been a constant source of fun and happiness for our community for over 50 years. With your generous support, thousands of children have enjoyed baseball and softball in a fun and safe environment at the Field of Dreams complex for over 20 of those years.

We have tried many forms of fund-raising, but we have found over the years that a party is the most fun – and most effective! The Gala also allows us to keep our registration fees significantly lower than other programs in the area even in the absence of any taxpayer support. Please consider supporting your league by attending the Gala. Spend an evening with old and new friends while we celebrate BPALL and our wonderful community treasure—The Field of Dreams Complex!
