

**FROM THE BEAUMONT MAIN
OFFICE:
IMPORTANT CARPOOL PROCESS
REMINDER**

When using the carpool line, please stay in the line and continue to move your car along to avoid gaps. Please do NOT drive into the bus lane to attempt to cut through the carpool line. This creates an unsafe situation for children and adults walking to the buses and for the rest of the carpool cars. If you need to park your car at this time, please park in a spot that is not in the bus lane.

Again, please do not drive in the bus lane at any time during student arrival and dismissal.

Thank you for your continued cooperation and understanding.
