Hello Beaumont Families,

Winter Break ALREADY!! The first half of the year has gone by so quickly. I wanted to take a moment to thank all of the great families we have here at Beaumont. All of your support and involvement has made for a wonderful first half of the year. I am looking forward to working with all of you throughout the rest of the school year.

Winterfest was a huge success, and I want to thank Tamara Adams, Kate McAllister and Anita Zawacki for chairing such a fun night. Barnes and Noble Day went off wonderfully thanks to Margaret Mackenzie and Courtenay Homan. There was a large crowd of school families, and it was very nice to hear the chorus sing and orchestra play.

Remember to check out the Beaumont HSA website ([beaumonthsa.org](http://beaumonthsa.org)). It is an easy way to get connected to what we are doing at Beaumont. Any flyer, order form or important information is on the website.

Thank you for being an important part of our Beaumont community.

Warmest Wishes,  
*Sherri Gartner*  
 HSA President  
 On behalf of our HSA Board

## GET THE BEAR FACTS ONLINE!

In our continued efforts and commitment to reduce paper waste, we began moving towards email delivery of The Bear Facts monthly newsletter beginning last year. Last year, about 100 families signed up for this great service! Those families will continue to receive The Bear Facts electronically and will not receive a paper version. If you have signed up previously and your email has changed, please notify us.

**Please, if you have not already done so, sign up soon!**

**How does it work?** You will receive an email with a link to the newsletter online, letting you know that the issue is available on the website. Please add [bearfacts@beaumontsa.org](mailto:bearfacts@beaumontsa.org) to your address book to ensure delivery to your inbox.

To receive *The Bear Facts* notification by email, complete the tear-off below and return to the school office. Alternatively, send an email to [website@beaumontsa.org](mailto:website@beaumontsa.org) with the following information:

# School Board Update

Summary of School Board Committee Meetings Provided by Committee Members

November 2008

## Education Committee

submitted by DEBBIE ROLLINS

The Education Committee met on November 11<sup>th</sup>. After receiving a report on E-Reports including Student Services (Chapter 12) and Special Education (Chapter 14), the Committee recommended that autistic support at the middle school level be considered.

Following a report on the Blueprint for Instruction, the Committee recommended that the recommendations proposed by the Blueprint Committee be accepted. These include revisions/updates to Flexible Grouping, Instructional Time, Use of Instructional Core Time, Integration of New Strategic Initiatives into the Blueprint for Instruction, Program Descriptions and Team Structure.

The Committee received a summary of Draft versions of the 2009-2010 School Calendar and accepted Draft version G. The Committee recommended Draft version G be reviewed at the regular meeting of the full Board on November 17<sup>th</sup>. The 2009-2010 calendar has since been approved by the full Board and is available on the T/E School District web site.

## Facilities Committee

submitted by PETE MOTEL

The Facilities Committee met on November 21<sup>st</sup>. The Committee was updated on ongoing construction projects and they reviewed change orders for the month. All of this past summer's projects are either completed or in punch list phase. As part of the construction update, the Committee considered a proposal from ARMM Associates to provide roof design specifications, bid monitoring and analysis and roof monitoring services for the roofing projects planned for summer 2009. Anticipating a review of the cost of past services, the Committee agreed to discuss the proposal again at the December meeting.

The Committee heard a report on the latest student enrollment projections. Preliminary analysis shows that Devon Elementary school will be short two classrooms for next year. There was a discussion of changes that might be necessary in light of increased enrollments at Devon. Final space needs analysis will be presented to the Committee in December.

In a review of the IT Department renovation project bids, vendors were recommended for all aspects except the

telecommunication portion, which will be rebid. The project will begin December 19 and will involve the renovation of the Old Tredyffrin High School building at the corners of Conestoga and Cassatt Roads. The IT department will then move from the old ESC into the renovated space.

The Capital Sources and Uses Report (10-Year Plan) indicated that the District's capital projects are funded through the end of the 2012-2013 school year and partially funded for 2012-2018. The General Fund designation balance can be re-designated by the Board to cover other budgetary needs in the future if needed.

The Committee reviewed the updated plans for the T/E Middle School parking lot project planned for the lower lot on Old Lancaster Road. The project is planned for this coming summer. The parking lot will be expanded by an additional 48 spaces for use in the fall of 2009. The size of each parking space was reduced to allow for a larger buffer between the lot and Old Lancaster Road.

The administration updated the Committee on the move of the Maintenance Department to the old ESC building. The estimated cost to update the ESC for use by the Maintenance Department will be approximately \$15,000, not inclusive of the cost to move heavy equipment. Moving companies are currently being evaluated in preparation for this task. The Committee agreed the costs were necessary in order to prepare for the relocation.

In new business, the Food Service Department will replace three refrigerators at approximately \$1900 each. The administration reviewed security system enhancements scheduled for the administration building. These include better lighting and an alarmed security system. The architect was asked to test the current parking lot lighting to determine if it meets local code. The Committee approved a \$12,000 expenditure for the security system.

## Finance Committee

submitted by BETSY FADEM

The Finance Committee met on November 10<sup>th</sup>. The meeting agenda was reduced in scope to specifically address key financial recommendations at hand so as to allow the Board members to attend the ARCH resiliency presentation the same night.

The Committee then received a presentation on the first look at the 2009-10 budget. The administration showed the

proposed revenue budget without a tax increase, with a tax increase equal to the state index of 4.1 % and a tax increase equal to the index plus exceptions. The presentation continued with the proposed budget expenditures. The Committee discussed the proposed budget and recommended to the full Board that the District should not seek exceptions and that taxes should not be raised above the index if a tax increase is approved.

The Committee then received the 2007-08 audit report. The auditors noted that the District had a clean opinion. The Finance Committee recommended the audit report for full Board approval at the next regular Board meeting.

The Committee then reviewed the designation of the District's fund balance. The Committee approved the specifics of the designation and indicated that this action reflects use of the fund balance for capital projects and complies with the State's requirement of undesignated fund balance amounts.

The last item of business was to receive a report from our Business staff on the status of this year's commercial tax appeals, of which there were seven. Our original revenue loss exposure was approximately \$500,000, but to date, only two appeals were reduced totaling \$120,000. The level of assessment appeals by residential property owners is consistent with prior years, and one tax exempt utility property was changed to a taxable property.

## Policy Committee

submitted by LIANE DAVIS

The Policy Committee met on November 13<sup>th</sup>. The Committee recommended the following policies for a second reading and adoption by the full Board at their November 17<sup>th</sup> meeting: Policy 1123, *Public Access to School District Records*; Policy 5114, *Attendance Records*; Policy 5229 *Transfers of Students Outside the District*; Policy 9000, *Board Operating Procedures*; Policy 9010, *Adoption, Amendment and Repeal of Board Operating Procedures*, Policy 9100, *Authority to Operate the School District*.

Also recommended for second reading is repeal of Policy 9110, *Purpose and Role of the Board*. It will be replaced by Policy 9100, *Authority to Operate the School District*.

After discussion and revision, the following Policies and Regulations were recommended for first reading at the regular meeting of the Board on November 17<sup>th</sup>: Policy and Regulation 5300, *Student Organizations and School-Sponsored Activities*; Policy 6190, *Internet and Computer Network Safety and Use*; Policy 6200, *Behavioral Support for Identified Special Education Students* and Policy 9130, *Officers of the Board*. Also, the Board's solicitor was asked to develop a regulation listing the duties of the Board officers for Policy 9130. The proposed regulation will be reviewed at the next meeting of the Policy Committee.

Other policies to be reviewed at the next Committee meeting include: Policy 9140, *Board Committees*; Policy 9210, *Orienting New Board Members*; Policy 9220, *Duties of the President* and Policy 9221, *Duties of the Vice President*. The Committee recommended adding a review date to Policy 9260, *Student Representation to the School Board*.

The Board's solicitor was asked to develop a new Regulation 9210, *Orienting New Board Members*, also to be reviewed at the next meeting of the Policy Committee.

In response to a question about how many Board members may serve on a committee, the Board's solicitor noted that there is no limit under the school code. However, many Boards do not appoint a majority of the Board in order to avoid the possibility of automatic acceptance of committee recommendations in a full Board vote.

## Public Information Committee

submitted by PAT WOOD

The Public Information Committee met on November 6<sup>th</sup>. The Committee received a report on the TE All-Call Phone Notification System awareness campaign. All-Call is a computer generated phone system that will send messages to parents in the event of weather related school closings, early dismissals or late openings. Since the beginning of the school year, information about the All-Call has been publicized to parents along with requests for appropriate phone numbers to be added to the phone bank. The administration planned a test of the service, which has since been conducted, and the report from the test is being analyzed. The same information will continue to be available on the hot line, TV/radio stations, and, when appropriate, the web site.

The Committee also received a report on the email notification program. The administration has been publicizing the program in an effort to increase subscriptions. As a result, more than 500 new subscribers have joined the program since the beginning of the school year. The notification system is available to all members of the community who are interested in the activities in the school district. Interested community members may join the program by sending an email to notification1@tesd.net.

Topics for the November TE Board Talk program will be the TE All-Call Phone Notification System, the Pinnacle Grade Viewer for Parents, and the T/e-Bulletin Board, which contains information not included in the PTO newsletters, and other 'green' initiatives. The tentative topic for the January T/E Board Talk program is Web 2.0 technology as it relates to education, and possibly an update on the Department of Education's continuing efforts to implement the Graduation Competency Assessments.

## ***FLES FLASH... FLES FLASH... FLES FLASH...***

Trying to enhance your child's knowledge of Spanish? TESD now subscribes to a fun reading program on line...and guess what? There are over 40 titles that come in both English and Spanish. Your children can either listen to the stories being read to them or read them to themselves. They can then write the words they know, the words they don't know, or a summary in the target language and bring it in to their FLES teacher. There are books in every level so that every child can find a book at a level they can understand and find challenging.

The website is: <http://bkflix.grolier.com>

The user name is tredyffrin and the password is bookflix.

Here are some of our favorites:

Simple: The Dot; Joey Runs Away.  
Intermediate: Click, Clack, Moo: Cows that Type;  
The Day Jimmy's Boa Ate the Wash.  
Harder: Chato and his Meal; Danny and the Dinosaur.

To access the books in Spanish:

- a- Go to Resources.
- b- Under Show all, sort by Spanish.
- c- Pick book.
- d- Click "cloud" saying Español.

**Happy  
Reading!**

**Pizza Bingo is coming!**

**Save the date: Friday January 16th**

Pizza Bingo is a great event full of fun for the entire family! We start with a pizza party in the cafeteria and then move on to the gym for some great games of Bingo. In order to accommodate everyone who want to play, we have two staggered start times (5:30 & 6:30).

We need volunteers to bring desserts to your seating and please **DONATE PRIZES!!!!** The prizes make the night. Whatever your child would love winning is an appropriate prize. 5 Below is a great place to buy them. The number of children you will have playing bingo is the perfect number of prizes to donate. Please donate prizes in the box in the school lobby!

**Watch for a sign up sheet coming in early January and mark your calendars!!**

<b>Healthy Snack Recipe! CHEWY FRUIT SQUARES</b> Ingredients: 1/3 cup sifted all-purpose flour, 1/4 cup sifted whole wheat flour, 2 tbsp. cornstarch, 1/2 tsp. baking powder, 1/8 tsp. salt, 1/2 tsp. cinnamon, 1/2 tsp ginger, 3/4 cup brown sugar, 1/4 cup chopped walnuts, 1/2 cup chopped peeled apple, 2 1/4 cups dried fruit pieces, such as dates, apricots, pears, cranberries and raisins. Directions: Preheat oven to 350'. Line a 9" sq. pan w/wax paper & lightly coat w/cooking spray. In bowl mix dry ingredients, add fruit and toss well. In a cup lightly beat egg, egg white, juice and oil and stir into dry mixture until moistened. Spread in pan and bake 15 minutes. <i>Enjoy a healthy snack!</i>						  Winter Recess Happy New Year		No School
