District Website: www.tesd.net

Hello Beaumont Families!

As we approach the winter break, the HSA board and I would like to wish all of you a relaxing, enjoyable, healthy vacation! You have all helped to make the first part of the school year such a success for the HSA! Our most recent events were a big hit—thank you to the Cultural Arts Committee for another wonderful program; thank you to the Winterfest/Ice cream Social Committee for the fun-filled family evening, and thank you to the Barnes and Noble chair, Sandi Endres, for all of her efforts. Other big thanks go out to the Staff Holiday Breakfast Committee, and to the Classroom Party Chair, coordinators, and volunteers for planning and helping with the Holiday parties.

Don't forget to check out the Beaumont HSA website (beaumonthsa.org). It is a great way to get connected to what we are doing at Beaumont

As always, thank you for being an important part of our Beaumont community.

Warmest Wishes and all the best for a healthy, happy new year,

Margaret MacKenzie

School Board Update

Summary of School Board Committee Meetings Provided by Committee Members

November 2007

Education Committee

submitted by DEBORAH ROLLINS

The Education Committee met on November 13th. The administration presented information for a discussion on the District's class size policy. In addition, the administration reviewed research on class size that has been used by the District to determine class size policies. During this presentation, the administration explained how resources are dedicated to the reduction of class size and how staff adjustments are made annually to address class size reduction. The Committee recommended that no changes be made to the District class size policy at this time.

Next, the Committee heard a presentation from the administration on the development of the middle school music program and how many published standards were considered during its development. The administration reviewed the Pennsylvania requirements for visual and performing arts to emphasize the degree to which the T/E program exceeds state requirements. The Committee members discussed the music program and the continuing efforts to support the program.

Facilities Committee

submitted by PETE MOTEL

The Facilities Committee met on November 16th. The Committee heard an update on District construction projects and change orders. Next, District architects presented a revised renovation plan of the T/E Middle School music area and courtyard. The Committee agreed to proceed with the next phase of the project.

The administration presented information on the District's long-range roofing plan with AARM Associates, Inc. As part of this plan, the administration recommended that the roofs at Beaumont Elementary School and Hillside Elementary be replaced during the summer of 2008.

The Committee discussed several options for overflow parking at Valley Forge Elementary School, including

the use of the lot at the United Church of Christ at Valley Forge located next to the school. The Committee asked the administration to research the number of parking spaces at each school, along with the number of assigned staff, to determine if there are overflow parking issues at other buildings within the District.

The District architect presented a renovation plan for the District facilities currently housing the Maintenance Department and Daemion House. The renovation plan includes reconfiguring the current space to provide office space for the District.

Committee members discussed future uses of the ESC building, including the use of the site as a potential school site. The Committee also discussed how to receive community input on the issue.

The Committee learned that a new company will be providing waste removal for the District next year. Additionally, the Chester County Intermediate Unit (CCIU) will be submitting a bid for recycling services in the near future. Based on this information, the Committee decided to wait and investigate estimates from these two providers before making a decision about recycling.

Finally, the Committee recommended for full Board approval the completion of a visitor's dugout at the Conestoga High School baseball field.

Finance Committee

submitted by BETSY FADEM

On November 12th, the Finance Committee met and began the meeting with a review of the monthly financials. Highlighted for the meeting attendees was the fact that tax revenue received is on par with past years in terms of percent received.

The Committee agreed to recommend for full Board approval the closing out of the Valley Forge Middle School construction project account and moving the remaining funds to the Capital Reserve Fund.

The next agenda item was a presentation from our Auditors, Maillie, Falconerio & Company, LLP. They provided a brief overview of the Audited 2006-07 Financial Statements. The audit firm was prepared to present a clean, unqualified opinion on both the Government Wide Financial Statements and the Government Fund Statements.

The Committee revisited the format for the November 15th Listening Post on Senior Citizen Tax Relief that had been formulated at the Public Information Committee. The intent of the Listening Post is to have an open forum so comments on the various proposals could be offered by our residents.

The Committee then discussed the High School club sport play allocation. Much detail was presented on the costs associated with our varsity programs as well as the history of the club sport player allocation. Currently, and for the past 5 years, the District has contributed \$315.00 per club sport player up to 60 players per sport. The \$315.00 covers expenses including, but not limited to essential equipment, official fees, and transportation. The Committee requested the Administration for an allocation amount for the 2008-09 Budget at the next Finance Meeting.

Mr. McDonnell updated the Committee on the pending tax appeals in our District and noted that the estimated decline in tax revenue as a result of the outstanding tax appeals could be approximately \$125,000.

The discussion at the meeting then turned to the topic of Activity Buses. This is a topic that the Board periodically revisits and the new idea was to determine the feasibility of either offering activity bus service that the riders would pay for or providing “after activity” supervision at the high school and middle schools. It became rather clear that the effort to get a convenient and efficient bus network in place to transport students across our district would be difficult and costly, and perhaps a better solution is to keep the children supervised at school until 6:00 pm when their parents could pick them up. The decision was to ask Public Information to determine how we assess the need of our students in this regard and the how each solution would satisfy the need.

Policy Committee

submitted by LIANE DAVIS

The Policy Committee met on November 13th. The Committee recommended the following policies for a first reading by the full Board at its regular meeting on

November 26th: Policy 3440, Management and Escrow Funds; and Policy 5116, Nonresident Students.

The Committee recommended the following policies for a second reading by the full Board at its next regular meeting: Policy 9330, Formulation of New and Revisions of Existing Board Policies; Policy 9332, Exceptions to Board Policies; and Policy 3293, Designation of Depositories.

Upon completion of all agenda items, Committee members requested the creation of a chart listing the status of all policies. This chart will be used to track the Policy Review Cycle and to help set priorities for reviewing policies.

Public Information Committee

submitted by PAT WOOD

The Public Information Committee met on November 6th. There were two reports from administrators with accompanying Committee recommendations.

Dr. Slobojan, Director of Curriculum, Instruction, Staff Development Planning told the committee about the proposed law and regulations that would impose state mandated graduation competency assessments which would lead to a state diploma. This would have significant potential impact on the T/E School District. The Committee decided that this will be the topic of a special Board Talk program to be shown in January. The goal of the Board Talk program is to communicate information about the proposed legislation and to encourage public comment to legislators. It was agreed, these regulations would in many ways significantly change education in T/E. The Committee discussed the possibility of showing the video to legislators and also showing it at parent meetings.

Next, Art McDonnell, Business Manager, reported on the Chester County reverse 911 calling system. Mr. McDonnell explained why the County's system is not right for T/E. The Committee requested information on vendors who offer an automated dialing system along with associated costs. Members of the Committee stated how important they believe a system like this is to notify parents in light of school safety issues. The administration will search for an appropriate system for T/E. Future information will be sent to the Finance Committee for a cost benefit analysis.

Health and Fitness News

From the T/E Physical Education Department

Winter Exercises and Winter Safety

Exercise and cold weather: Stay motivated, fit and safe

You don't have to abandon your exercise routine in cold weather. Get creative! Explore indoor and outdoor options. Keep cold-weather safety tips in mind, too.

Cold weather might make you feel like hibernating, but you don't have to give up your exercise and fitness goals. You can exercise indoors. And by dressing properly and heeding cold-weather safety tips, you can exercise outdoors, too.

Exercise indoors — Choose activities that won't leave you in the cold

Don't let cold weather sidetrack your exercise routine. Get creative!

- **Walk at the mall.** The hardest part about mall or indoor track walking is getting there. Once you get started, you may be amazed at how quickly you finish your workout.
- **Join a health club.** Choose one that's convenient and geared toward your fitness level. Ask the staff to show you how to use the equipment.
- **Make a splash at an indoor pool.** Working out in water is easy on your joints. Try lap swimming or a water aerobics class.

This information is a compilation of resources and can be viewed at the following websites:

Staying Safe in Cold Weather

Your dream finally came true . . . it was announced on the radio **and** on TV . . . it's a snow day! School's closed for the whole day, and that means it's time for one thing: going outside to have fun in the snow. Or maybe you're getting ready go on a family skiing trip.

Whatever the case, winter is a really fun time of year - it's great to have snowball fights, build snowmen, and construct igloos. While you're out having fun, you have to know how to be safe. When it's cold outside and you're not prepared, you can feel uncomfortable or even downright rotten. But lucky for you, learning how to stay safe is a breeze - even when puddles start to freeze!

Love Those Layers

Dressing in layers is the best way to stay warm and toasty in the cold, because you can start out with lots of clothes to keep you warm and then peel them off once you start to heat up. Depending on where you live and how cold it is, some kids may need more layers, some less. But if you're in doubt, go for more layers to start - they can always come off later. (Whatever you do, always leave your coat on - that's one layer that should stay!)

For your top half, start by putting on a long-sleeved undershirt (thermal or woolen). Then put on a turtleneck, one or two shirts, a sweater, and a coat. If you can, pick out clothes that are made of fabrics other than cotton, because cotton doesn't keep you very warm. For your bottom half, put on long underwear first (thermal or woolen), then pull on a pair of heavy pants. Try to avoid jeans or light cotton pants (like khakis), because they won't keep you very warm. They will actually make your legs and behind colder if you fall down and get wet. Waterproof pants (like ski pants) are best. Finish up with heavy socks and waterproof boots. If you're going to be doing a lot of trekking around, you'll want to wear boots that have good treads for keeping you steady on snowy and icy areas.

Grab That Hat

You're all bundled up and ready to go, but are you forgetting something? Pull a hat onto your head! You'll stay much warmer with a hat than without one - tons of body heat escapes right from your head. Scarves, face masks, and earmuffs are also great at covering you up so you'll stay comfortable longer. And don't forget mittens or gloves - the waterproof kind are best if you know you'll be playing around a lot in the snow. Keeping your hands warm and dry is important because fingers are sensitive to the cold!

We hope everyone has a safe and wonderful holiday season!!

The Elementary Physical Education Department

OLWEUS BULLYING PROGRAM

Bullying...

A student is being bullied when he or she is exposed repeatedly and over time to negative actions on the part of one or more students.

Hot Spots for Bullying

- Cafeteria
- Playground
- Bus

Why Do We Need a Bullying Program?

Bullying affects everyone!!!

- Victims
- Bullies
- Bystanders

Bus Pass Reminder

When you send a note in for a bus pass for your child, please remember to include the first and last name of the child he/she is going home with and their bus number. Thank you.

Volunteer Rewards!!

As a thank you to all of our parent volunteers, the HSA is having a raffle! Any time you volunteer for an HSA committee or event, stop by and put your name in our PRIZE RAFFLE BOX! The box is located at the greeters' desk. The more you volunteer, the more times you can enter, and the more chances you have to win! We will announce the winners at our June HSA meeting!

that introduce your children to musical heritages from
around the world.
Assemblies at 9:15 and 10:15 a.m.

Attention Fourth Grade Parents:

Join us for MarT/E Gras!

You are cordially invited to the

T/E Middle School Parent Social

Saturday, February 9, 2008

Seven o'clock

Waynesborough Country Club

Paoli, Pennsylvania

dinner- dancing- silent auction

Please call Joanne LaMarche for tickets at 610-407-9733

\$40.00 per person. Proceeds will go toward the purchase of Smart Boards. Hosted by the T/E PTO.

Parents... the anti-drug

Kids who learn from their parents about the dangers of underage drinking, drugs and other harmful substances are less likely to use those substances. In other words, you have the power to keep the child you love safe, healthy and drug-free. But finding the right words and the right approach can be hard. Visit

http://www.theantidrug.com/pdfs/resources/general/Keeping_Your_Kids_Drug-Free_Guide.pdf

for a booklet to help put your good intentions into action.

Resources like this booklet from The American Academy of Pediatrics and National PTA are made available to the community through ARCH.

Whether you are a parent, grandparent or any other person who cares about a child's future, you most likely have an interest in preventing drug abuse. It's hard for us to imagine that a child we love could end up using drugs. But chances are, most children will be faced with, "Should I, or shouldn't I?" Take steps now to help find out how to educate your child to know that answer is, "I shouldn't, and I won't."

ARCH, Area Residents Caring and Helping, Inc., is a local community group established in 1981 by parents in the T/E School District to assist, educate and support one another in dealing with substance abuse by community young people. ARCH sponsors parent workshops and works closely with the TE School District administration to provide student services and resources in the fight against substance abuse.

What is ARCH about?

- ★ YOUTH and our community
- ★ Prevention of substance use and abuse among our youth
- ★ Educating the community about the issues that face our youth today
- ★ Increasing use and knowledge of evidence-based education programs and prevention strategies that have demonstrated effectiveness
- ★ Coordination of interagency collaborations – working together
- ★ Advocacy
- ★ Getting the word out about available services and programs
- ★ Networking
- ★ **Supporting one another in the often challenging task of raising young people**

What are the benefits of participating in ARCH?

- ★ Members are provided opportunities to be educated on alcohol, tobacco, and other drug related issues.
- ★ Members gain an understanding of community needs and resources as it relates to adolescent issues, specifically substance use and abuse.
- ★ Members have the opportunity to promote their programs and activities to a host of community members and organizations and discover complementary programs of benefit to those they serve.
- ★ Members have the opportunity to work collaboratively with community members and organizations to share resources, potential funding sources and link programs that meet the needs of our children in our community.

How do you become a member of ARCH?

To become a member, attend a meeting and be willing to join the prevention effort through networking and participating in the coordination and collaboration of prevention activities and programs.

- **The community ARCH meetings will be Dec 5, Jan. 9, Feb. 6, Mar. 5, April 2, and May 7, each from 8:30 - 10:00 AM at the ESC building in Berwyn.**

If you are in a house where teens will be having a party you should read this...

Want to Plan a Party for your Teen and hardly know where to start?

Tom Hagy, a parent of a teen in our area, shares his proven strategy for having a successful party for teenagers. In this humorous but quite serious Letter to the Editor, Tom explains how staying in control begins with careful planning and a clear strategy -- without killing all the fun. Follow this link to read Tom's letter:

http://www.archcares.org/teen_party_ltr.pdf

For additional information about ARCH...

visit the website www.ARCHcares.org.

You are encouraged to join the list serve.

ARCH gratefully accepts charitable donations (ARCH, Box 149, Paoli, PA 19301).

The Children's Dental Clinic Fundraiser

It's that time of year again for the Annual Children's Dental Clinic Fundraiser. Your support is very important to us since it is our only organized fundraiser for this school year.

For those who have not heard of the clinic, we are a non-profit community clinic housed in the T/E Middle School. We are open solely to benefit the children of the T/E and Great Valley School Districts. Our clinic is a one room, one chair office staffed by a paid professional dentist and a nominally paid supervisor. Volunteers serve as dental assistants, drivers, board members and school representatives. This is truly a rare and wonderful community service.

This year we will once again be offering products from The Yankee Candle Company. You will receive the catalogue in your child's backpack the week of January 28.

All items ordered will be delivered in early March, prior to Spring Break. We had great success last year in raising funds for this very worthy community service and hope that you will support us once again in that endeavor.

Don't forget, even if you don't wish to order any products a contribution would be greatly appreciated and is tax deductible.

If you have any questions please feel free to call Ruth Turocy at 610-644-6092 or email rm.turocy@verizon.net. If you are willing to help out in distributing products once received, that too would be greatly appreciated! Thank you in advance for your support!

Easttown Library & Information Center
720 First Ave.
Berwyn, PA 19312

For Families:

Family Afternoon Movie

Fri., Dec. 28, 2-3:30 p.m.

Take a break from the holidays and join us for an afternoon of movie fun. Check with the library to find out what film is being shown. Drop in; no registration required.

Book Bingo for Families

Grades K+ and parent/caregiver

Sun., Feb. 10, 2-3:30 p.m.

Come for one game or an afternoon of fun and win book prizes. Registration suggested.

Star Gazing, Hot Chocolate and a Lunar Eclipse

Wed., Feb. 20, 7-8 p.m.

Join local astronomer Francis Murphy for a winter evening of star gazing, and view a lunar eclipse. Telescopes will be set up in the parking lot in front of the library. No registration necessary.

Parent/Child Workshop

Infants through age 3 with parent/caregiver

Five-week session: Tues. March 4, 11, 18, 25, April 1, 10-11 a.m.

Registration (in-person only) begins Monday, February 4.

If you have previously participated in the workshop, we welcome you to sign up again!

For Teens:

Catherine Gilbert Murdock, author of Dairy Queen and The Off Season

Thurs., Jan. 31, 7 p.m.

Writer Catherine Gilbert Murdock, author of the acclaimed young adult novels *Dairy Queen* and its sequel *The Off Season*, will read from and discuss her books. *Dairy Queen* was named a “Best Book for Young Adults” by the American Library Association and a “Best Book of the Year” by *School Library Journal*. Ms. Murdock lives in Wayne. For more information, visit www.catherinemurdock.com. Books will be available for sale and signing, and pizza will be served following the program. Registration begins Jan. 3.

For Youth:

Chess Club

Youth K and up

Mondays, Jan. 7-Feb. 22, 4-5 p.m.

Beginners and all levels of players are welcome.

Registration begins Mon, Dec. 10

Children's Valentine Tea & Etiquette

Sponsored by the Junior Friends of Easttown Library

Sat., Feb. 2

Snow date: Sun., Feb. 3

Ages 3½-6: 10-11 a.m. or noon-1 p.m.

Ages 7+: 2-3 p.m.

Tickets cost \$12 per person or two for \$20 and go on sale Tues., Jan. 2. (Financial assistance is available. Please contact Becky Sheridan for more information.)

Story Times

Story time programs for children and parents/caregivers will be held Mon., Jan. 7-Fri., Feb. 22. No registration necessary.

Family Story Time (infants-6 years)

Mon. 7 p.m.

Wee Readers (infants-18 months)

Tues. 10 a.m.

Toddler Time (ages 1-2)

Wed. 9:30 a.m. and 10:15 a.m.

Tales for Twos and Threes (ages 2-3)

Thurs. 9:30 a.m. and 10:15 a.m.

Great Starts (ages 3 and older)

Fri. 10 a.m.

Register NOW for the 2008 season of the **Berwyn-Paoli Area Little League**

- ★ **Girls and Boys** between the ages of 5 and 18 (as of 4/30/08) are eligible to play this spring.
- ★ **Returning players can register now...** Visit our website to register online at www.eteamz.com/berwynpaolill . The website contains league news and other information about the upcoming 2008 season.
- ★ **Walk-in Registration** for the 2008 spring season will be held on **January 12 and 19, 2008**, at the Tredyffrin Easttown Middle School Library from 10 am to 2 pm. League representatives will also be available to discuss volunteer or sponsorship opportunities.
- ★ **Players who are new** to the league must register in person on January 12 or 19. Please remember to bring proof of age and insurance information.
- ★ **Attention those with Kindergarteners** ... BPALL strongly encourages kindergarten age children to play T-Ball this spring. It's a great introduction to the sport.
- ★ For more information email us at berwynpaolill@yahoo.com or call Kurt Misialek at 610-408-9274 or Tom Toscani at 610-647-4901.

CONESTOGA HIGH SCHOOL BOYS BASKETBALL CLINIC

WHEN: Sunday, December, 30, 2007

WHERE: Conestoga High School Gym

WHO: Boys in grades 2 through 8

TIME: 12:30 - 4:00

COST: \$40

Registration

Name: _____

Address: _____

School: _____

Grade: _____

Shirt Size: _____

Make checks payable to: Conestoga Boys Basketball Booster Club (CBBBC).
All proceeds benefit the CHS Boys Basketball team.

Mail to C/O: Mike Kenan
419 Donalyn Lane
Berwyn, Pa. 19312

You can also register in person the day of the event.
Questions – call Mike Kenan 610-644-1766.
