Dear Beaumont Families,

This is a very important reminder about school-related activities and events. For all family events at Beaumont (including Winterfest, Play Day, evening performances, Pizza Bingo) please be sure that your children have consistent parent or guardian supervision for after school and evening activities.

It is expected when students attend after school or evening functions that parents or guardians are present at the activity and supervising their children. We always welcome siblings and this adds to the expectation that families are present with their children.

During school events, children are never permitted in school areas beyond where the event is taking place. Rarely, if ever, are the students permitted in the second grade or fourth grade hallway areas or in the hallways near the science rooms. The second floor and second grade wing are often blocked off as custodians are completing their cleaning duties in the evenings. Children should not be left unattended in areas of the building without parent presence unless an activity has scheduled adult supervision (such as a large group movie or adult-facilitated stations).

The Beaumont staff members and the H.S.A. plan many fun activities for the children. Our first goal is to maintain the safety of the students at all times during activities. In addition, it is never recommended that parents drop off children at school during events leaving them unattended by their parents.

Thank you for your support and understanding. Please call if you have any questions.

Sincerely,

Stephanie Demming
