Hello Beaumont Families!

My Goodness! How time flies when you are having fun! I cannot believe that this is our last newsletter of the school year, or that summer vacation is almost upon us! The month of May was another busy one here at Beaumont. Thank you to Susie Klein and Maureen Bailey and the Plant Sale committee, for helping us to jump start our spring planting and gardening! May also started with a wonderful Staff Breakfast thanks to Patty Davis and the hospitality committee. Then the teachers were given a beautiful gift from the chairs Diane Shew and Marianne Marquet. Thanks to that committee for making it happen! Play Day will take place Friday May 29th and is sure to be a great event thanks to Robin Atwood and the wonderful team she has put together, Jay Hughes, Pam Albertson, Kerri Martin, Suzanne Borislow, Susan Huck, Vicki Radina, Jean Allen, Avis Rueger, Linda Arnold, Anita Borger, Kit Dempsey, Stephanie Nichols, Melissa Branov, Maureen Sloan, Doreen McGillis and all of the wonderful Beaumont Families!

As we look to June there is Field Day, Yearbooks, the 4th Grade Lunch and 4th Grade Graduation to look forward to....not to mention the onset of summer vacation!

As we wind down another wonderful year, I would like to take the opportunity to thank each and every one of our wonderful parent volunteers. Our HSA and our school are the finest around because of our parents' dedication, hard work, and interest in the children. Thank you for being an important part of our Beaumont community.

Enjoy the summer months, and we look forward to seeing you in the fall!

Warmest Wishes,
Sherri Gartner
HSA President
On behalf of our HSA Board

Visit www.tesd.net and click on 'School Board' for meeting dates, agendas and minutes.

Education Committee, Chair: Debbie Rollins

Prepared by: TESD Public Information Office
Reviewed by: Committee Chair

The Committee received a report on the six day cycle. The report focused on refinements to the schedule that will be implemented during the 2009-2010 school year. These refinements include: a) Placement of morning recess on the schedule, b) Preservation of social studies instruction, c) Maintaining large instructional blocks of time for core instruction in math, language arts and science, d) Enhancing consistency of FLEX core time, e) Decreasing impact of pullouts and f) Exploration of alternate music schedule.

The Committee received a report on on-line learning and a demonstration of online courses in world languages and mathematics. The purpose of the demonstration was to simulate what students experience when they are enrolled in online courses.

The Committee received a report on electronic learning and accepted the administrative recommendation to work with K-8 teachers to identify software for District-wide implementation during the 2009-2010 school year.

The Committee heard the outcomes of the May 7th annual update meeting with specific emphasis on personal integrity, social responsibility and technology. The emphasis for the 2009-2010 school year will build on the work of 2008-2009 and expand to include the action plans on personnel and collaboration.

The Committee received a report on strategic planning and recommended presenting proposed action plans related to personnel for consideration by the full Board.

Facilities Committee, Chair: Pete Motel

Prepared by: TESD Public Information Office
Reviewed by: Committee Chair

The Facilities Committee met on May 15th. The Committee discussed the scheduled infrastructure and capital projects to be completed during the summer of

2009. These projects include renovations at Devon Elementary School which will result in a net gain of two regular classrooms. Also there will be electrical and ventilation upgrades to several schools. Reroofing projects will be undertaken at Devon Elementary School and Conestoga High School. The relocation of the District's network telephone and Internet connection from the old ESC to the newly renovated IT building across from TE middle school is scheduled to occur over the weekend of July 31, 2009. The administration will research options to notify the community about the temporary suspension of District Internet and phone services during the relocation.

The Committee agreed to move to two items the consent agenda of the full Board meeting on May 27, 2009. The first is an agreement between the District and NEC Unified Solutions, Inc. for the relocation of the District telephone PBX's cards and equipment. The second is an agreement between the District and the Chester County Intermediate Unit to power down and relocate all network services and equipment.

The Committee discussed the architectural fee for the site work portion of the IT renovation project. The agreement between the District and Daley + Jalboot Architects will be on the consent agenda of the May 27th regular Board meeting.

The Committee asked the administration to review facility use fees charged to Class D and Class G users and provide recommended changes to the Board.

The next Facility meeting will be Friday, June 12 at 7:30 AM in the district administration office in the West Valley Business Center.

Finance Committee, Chair: Kevin Mahoney

Prepared by: TESD Public Information Office
Reviewed by: Committee Chair

The Finance Committee met on May 18th. The Committee reviewed the financial statements. The administration noted that, as in recent months, transfer

tax and delinquent tax revenue is lower than the prior year. Investment income is higher than expected. Total expenditures are expected to match current revenue projections.

The Board has approved the preliminary final budget for 2009-2010. The budget will be available for public inspection 20 days prior to its scheduled adoption on June 15, 2009.

The Committee discussed the steps required to use a portion of the fund balance to retire the District's 2004 Bond Series. The Committee agreed to move to the consent agenda of the Board meeting on June 15, 2009 a resolution to use a portion of the fund balance to retire the District's 2004 Bond Series.

The Committee reviewed scenarios involving changes to the tax rate and overall impact to future budgets and the educational program. Starting this summer, the District will conduct an educational analysis of the District's structure, programs and delivery system K-12 for efficacies and efficiencies.

Legislative Committee, Chair: Karen Cruickshank

Prepared by: Committee Chair

I've been asked by numerous residents about the state's proposal to consolidate school districts in PA from its current number of around 500 down to 100. It's important to note that this idea has little legislative traction right now. At a recent legislative breakfast, our own state senators and representatives who were present expressed little interest in seeing this proposal move forward. Also, the initial plan looked at consolidating districts with under 2000 and under 5000 students. The T/E district has over 6,000 students which puts us above either of those two thresholds.

A more important topic is that of the state proposed Graduation Competency Exams (GCAs) which have now been renamed the Keystone Exams. The Keystone Exams are a series of 10 additional exams that our students would take in the areas of math, science, language arts and social studies. It is important to note here that our students are already tested beginning in the 4th grade in math, science and language arts. The current test is called the PSSA. The proposed Keystone Exams will not provide us with any additional information than we already have about our students. In essence, if we impose these exams we will be double testing our students, and as parents know our students are tested more than enough already! To make matters worse, the price tag of these

exams is a staggering 30 million in the first year of implementation and up to 210,000,000 over a seven year period. At a time when our state faces a 3 billion dollar budget deficit spending this kind of money needlessly is unconscionable. It's time to write to our local legislators and tell them to put an end to the Keystone Exam nonsense! Let's put quality education on the agenda and not more testing. You can reach your local legislators at the following addresses:

Edwin Erickson at eerickson@pasen.gov; Duane Milne at dmilne@pahousegop.com; Andy Dinniman at andydinniman@pasenate.com and Paul Drucker at pdrucker@pahouse.net

Policy Committee, Chair: Liane Davis

Prepared by: TESD Public Information Office
Reviewed by: Committee Chair

The Policy Committee met on May 7th. The following policies will be sent to the Board for a second reading at their regular meeting on May 11th: Policy 1124, *Distribution of Promotional Information*; and Policy 5222, *State Assessments*; Policy 5224, *Reporting Student Progress*.

The Committee recommended that the following policies be sent to the full Board for a first reading at their May meeting: Policy 5312, *Participation of Financially Disadvantaged Students in Curricular Activities*; and Policy 9313, *Video Recording of School Board Meetings by the District*.

The Committee reviewed the following policies and did not recommend any change: Policy 5331, *Class Gifts to the School*; and Policy 5341 *Student Performance*.

The Committee discussed, suggested revisions and will review the following policies at their meeting on June 4th: Policy 5001, *Verification of Residency*; Policy 5332, *Student Publications*; Policy 5340, *Student Production of Goods and Services*; Policy 5342, *Public Performances by Students*; Policy 5400, *Students' Rights and Responsibilities*; Policy 5343, *Contests for Students*; Policy 5001, *Verification of Student Residency*, and Policy 1131, *Parent Organizations*.
