

## Martin Luther King Day

### A DAY OF SERVICE

**Monday, January 18, 2010**

**10:00am-11:30am**

We will collect new and/or gently used items for Cradles to Crayons. It is a collection & distribution center for many social service organizations in the Philadelphia area. They create many care packages for needy children in our area.

Cradles to Crayons collects many items for babies to pre-teens: coats, clothes, shoes, toys, arts/crafts, baby gear, and hygiene items. Their most urgent needs right now are baby items. Please refer to their website ([cradlestocrayons.org](http://cradlestocrayons.org)) for more specifics, including what they DO NOT accept (PLEASE no stuffed animals).

**We are asking for student volunteers to help sort through donated items. We will also ask student volunteers to help create collection cups and posters for a second MLK Day project - collecting aluminum tabs for the Ronald McDonald House.**

If your child cannot help on Monday, but you have donations, simply drop-off your items at Beaumont between 9:30am and 10:30am on the 18th.

Please email your response to [dfmcgillis@comcast.net](mailto:dfmcgillis@comcast.net) or complete the form below if your student would like to make Martin Luther King Day a "Day of Service" and forward to Emma McGillis c/o Ms. Meyer. Please respond by Thursday, January 14th. Thank you!
